BLS INSTRUCTOR TRAINING

in exchange for your participation in a CPR study funded
by the **American Heart Association** and conducted by
RMC Research Corporation

Pay \$89 deposit on the instructor materials, and the full amount is refunded to you when you complete all the study tasks. You also receive a complimentary copy of the BLS instructional DVD to keep.

The study seeks to understand the effectiveness of different types of instructor training for CPR. Your participation will involve receiving instructor training in CPR, which is part of the instructor certification process. You will attend various scheduled sessions on 3 or 4 different days, spread over a period of 1 to 2 months. Sessions will each last between 2 and 8 hours. All sessions will take place in the Portland metropolitan area between February and May 2007.

You are eligible if you meet all of these criteria:

- You are presently certified in Basic Life Support for Healthcare Providers.
- You have not acquired 5 years of full time teaching experience in any field.
- You are free of any physical or mental conditions that would interfere with your ability to participate fully in the sessions described above.

For more information or to enroll in the study, please call Laura or Lori at RMC Research: (503) 223-8248 or email cprstudy@rmccorp.com
