

An Introduction to...

Memory Made Easy

for business

In a competitive marketplace, how do you stand out?

**Forgotten names, bungled presentations, missed appointments, oh my!
Shine a light on your expertise & power up your memory for business!**

Memory mishaps erode your confidence and your results.

Kristin Thompson is a professional speaker and coach best known for successfully coaching professionals on simple strategies that help you recall presentations without relying on notes, remember product and service information, important names and more...even in the most high-pressure business situations.

Kristin has coached Hasson Company Realtors, West Coast Bank, RE/MAX Equity Group, The Salem Chamber, Chemeketa Center for Business and Industry, and many more!

Join us for a fun, interactive program on **March 3rd at Mt. Hood Meadows Ski Resort** that will open your eyes to the real power of your natural memory and all the ways it can help you get noticed!

**Join March 3rd for Skiing, Networking, and Fun at Mt. Hood Meadows!
Plus, power up your recall of important names and network like a pro!**

Here are the “take aways” you’ll get from your no-cost introductory program:

★ **Find out how your memory is already affecting your results.**

★ **Boost your R.A.M. for names.**

A three step process to help you improve your introductions and recall of names.

★ **Avoid Being “the Crazy Repeater Person”**

Can you repeat names without sounding cheesy or over-the-top?

★ **Is memory an inherited trait?**

We have some good news for you about your memory- even if you feel it's failing you.

★ **Power Up Your Introductions** with our simple tips for connecting on the go!

★ **Try it out!** Get the chance to meet and greet other professionals using Kristin’s simple tips!

**Plus you’ll discover what can happen for you and your business
when you dive in and learn these techniques on a deeper level!**
