**A Message from the Prez**

Hey Mt. Highers! Our summer is quickly getting past us. We’ve had some fun bike rides, hikes, a trip to the Milwaukie Food Pods, and a Happy Hour at Who Song & Larry’s. If you take a look at our calendar, you will see a lot of activities coming up over the next couple months: the bike trip along the Hiawatha Trail September 1st-5th; the Annual Mt. High Picnic on Sunday, September 16th at Vancouver Lake, the Annual Seafood Party on October 13th, and other October activities. Please join us for some of the fun.

I would like to make a comment about an article in our July Lift Lines. There were some negative comments from non-members, about the route that ski resorts and ski passes seem to be taking these days, what with Vail Resorts and Aspen Skiing Company & KSL buying up many of our favorite ski resorts. These comments were reprinted from another publication. As your elected President, please know that these comments ARE NOT the opinion of this ski club’s Board of Directors. Our editor has the right to publish what he feels is important and pertinent to the ski world, but what is printed does not always reflect our particular thoughts. My apologies if anyone was offended by these comments.

Barlow Road (Oregon Trail) Cleanup Day

July 14, 2018 (Saturday).

Four volunteers showed up to act as the “first wagon train of the season”, namely to clean up fallen trees, branches, and other debris from the route of the Oregon Pioneer wagons, in preparation for the August 25-26, 2018 guided field trip of Barlow Road, as part of the celebration of the 175th anniversary of the Oregon Trail. You see, Barlow Road was not very well maintained and it usually fell to the first wagon train of the season to clear the path of any fallen trees. That’s what we were doing here.

Thanks to the many hands present, Kay Kinyon, Lisa Miller, John Davis, and Emilio Trampuz, the work progressed swiftly. We managed to clean up Laurel Hill before lunch. So, after lunch, we decided to also clean up the area between Barlow Pass and the Pioneer Woman’s grave, which had originally been planned for another day. Thus, we did 2 days worth of work in a single day!

The route is now almost ready to be shown to anyone who shows up for the field trip on Sunday, August 26, 2018. See more photos at www.mthigh.org/Photos.htm.

History Happy Hour - History of Summer Skiing on Mt. Hood

July 28, 2018. (Last Saturday of the month at the Mt. Hood Museum)

Guest speaker Jeff Lokting gave a presentation - well illustrated with slides - about summer skiing on Mt. Hood. It wasn’t just about racing, but about all types of skiing.

It was about happier, slower times, when people still found time to arrange their skis into a tripod that they could lay down on and get a suntan. It was a time when large numbers of people climbed higher than the top of the Palmer chair (and Palmer lift didn’t exist yet) and then set up a fun set of gates for practice up there. And, yes, it was also about skiing without shirts, just bras!

Note that similar presentations on a variety of Mt. Hood related topics happen at the Mt. Hood Museum in Government Camp on the last Saturday of every month. It’s the History Happy Hour!

Steiner Cabins Tours

August 11, 2018 (Saturday)

Six Steiner cabins will be open to tour participants. These cabins represent the variety of uses and signature architectural features found in the Steiner cabins. Tickets go on sale Sunday, July 1, for the annual tour sponsored by the Mt. Hood Cultural Center & Museum. Contact Janet Paulson at 503-970-3810.

UPDATE: All tickets for all the tours are already sold out. But if you are interested in visiting the Steiner cabins, there is always next year. This is an annual event.

#### Idaho bike trip: CDA trail and Route of Hiawatha

**Sept. 1 - 5 (or 6).** We have done this bike ride 2 years ago, but some couldn’t make it and some want to do it again. Lodging in Kellogg and in Harrison. **Limited number of rooms. Reserve now!** We will ride 2 trails:

1. **The Route of Hiawatha.** 15 miles of mostly downhill ride through several railroad tunnels and trestles.

2. **Trail of the Coeur d’Alenes** (CDA Trail). 72 miles across the Idaho Panhandle, from the Montana border to close to the Washington border. We will split this ride into 3 days. Part of it goes through a wilderness area with lots of wildlife, including egrets, grebes, osprey, deer, wild turkeys, and moose. The trail runs between the Coeur d’Alene River and several lakes and ponds.

Emilio will serve as a guide and overall coordinator, and please contact him if you need a roommate. But everyone should make their own hotel reservations: 2 nights in Kellogg and then at least 1 (or optionally 2) nights in Harrison. We have arranged for a group discount at both places, so tell them you are a member of the **Mountain High bike group**. See our web site for details. Timberline Purchased Summit Ski Area

July 18, 2018. R.L.K. and Company, the Operator of Timberline Lodge and Ski Area, has purchased the iconic Summit Ski Area in Government Camp, Oregon. Included in the sale is Snow Bunny, a snow play area and parking lot, approximately 1.5 miles east of Government Camp. Both Summit Ski Area and Snow Bunny will operate under a special use permit issued by the Mount Hood National Forest.

Established in 1927, Summit Ski Area is the second oldest continuously operating ski area in the United States and the oldest ski area in the Pacific Northwest. In 1959 a T-bar was installed and in 1966 the present lodge was constructed. In 1980 the current 2,300 feet long chairlift was built.

Jeff Kohnstamm, Timberline President and Area Operator, says, “We are very pleased with the acquisition and plan to operate Summit Ski Area as a family oriented, affordable, friendly mountain resort.” Kohnstamm sees Summit as a place to “break down the barriers to skiing and snowboarding surrounding accessibility and affordability”. With Portland’s population growing rapidly and more people visiting Mt. Hood, Timberline also views Summit Ski Area as an opportunity to help address public transportation and parking needs while having a greater connectivity to Government Camp.

In the short-term, R.L.K. and Company will roll out Summit with an updated brand and website. Summit will operate under its current footprint with ski and snowboard rentals, lessons, snow tubing, and an expanded food and beverage offering with some basic lodge upgrades. Timberline operates a free winter shuttle bus between Summit ski area and Timberline. The Alpine trail runs from Timberline to Summit ski area.

The long-term view for Summit includes exploring expanded product offerings for both summer and winter.

John Burton, Timberline spokesman, said Timberline is looking into adding a chairlift or gondola that spans the two properties. “Does it just go to the bottom of Jeff Flood lift or do we take it all the way to the hotel?” Burton said.

Of course, the prospect of a Government Camp-Timberline connection is far from certain. Putting in a new chairlift is a 5 to 10-year project, Burton said, and the first step is an environmental impact study that takes a minimum of two-and-a-half to three years. But the project is within the realm of possibility, he said, and Timberline wouldn’t need to acquire the land between Summit and Timberline to run a lift connecting the properties.

Ski Passes - Which One is Best?

Which ski pass is best for you depends on here you will be skiing the most. If you will travel a lot, consider one of the many options listed in our comparison table. But, most of us will be best served by one of the following:

1. **The Mt. Hood Meadows Season Pass.** Many people ski nothing but Meadows anyway, Plus, you get 5 free days at Mt. Baker, Washington. Plus a 25% discount on tickets at Big White, BC.

2. **The Fusion Pass** gives you unlimited skiing at both Timberline and Mt. Hood Skibowl. Plus, it gives you 3 free days at each of another 17 other ski resorts that are part of the Powder Alliance. This pass can save you money on 2 of our upcoming trips, to Silver Star (BC) and BOgus Basin (ID).

3. **Loveland Ski Pass** - which is also a Powder Alliance Pass, giving you access to the same ski areas as the Fusion Pass. But, if you don't want to ski more than 3 days at Timberline, the Loveland Pass gives you access to many other additional ski area, including Powder Mt. (UT), Purgatory (CO), Whitefish (MT), and many more.

4. **Combinations.** Consider buying a 10-time pass to Meadows for the first part of winter, and then a Spring Pass to Timberline for March, April and May. That way, you get to ski both.
Lift tickets and Season Passes Comparison

Which option is best for you depends on how much you’ll ski and where. Note that PACRAT racers will get discounted lift tickets at all 3 Mt. Hood ski areas on their race days.

Remember that Meadows and Timberline will be offering Spring Passes valid for March, April and May, for about $139 - $160. 

**NOTE 1:** All prices will increase November 27. Epic Pass increases October 8. Mt. Bachelor prices increase September 30.

**NOTE 2:** Gray areas show old information from last season. We'll update this as soon as new prices become available.
