== No. 64, April 2006 ==

Mountain High snowsport club, PO Box 2182, Portland, OR 97208

Hi folks! The best skiing of the year is now: Spring corn snow, sunshine, and no crowds! So, let's go skiing. And give thanks to Meadows for extending their season till the end of April! (They had planned on closing April 16, but extended to April 30, after many of us petitioned for it.) - *Emilio*

## 2007

**Jan.27 - Feb.3 FWSA Ski Week,  
Steamboat, Colorado.**

**Mt. High French Alps (Val d'Isère) trip Mt. High**

**March 3 - 12, 2006.** We had 7 full days of skiing at the famous "Espace Killy" (the Killy Space) comprising of Val d'Isere and Tignes, the place where Jean Claude Killy honed his skills. Every evening we took the time to explore the town of Val d'Isere and its local cuisine. We tried several Creperies (where they sell crepes), as well as sea-food restaurants, and others. Wine and beer were often less expensive than bottled water or orange juice!

We experienced a mix of sunny days followed by fresh snow dumps, fog, and wind. Some days were warm, others chilly.

The staff at our Hotel Danival were warm, pleasant, and helpful. They served a great breakfast every day, with several kinds of cheese, "jambon" (ham), and complete with "oeufs a la coque" -- boiled eggs.

Cheese was served on almost everything. Not just fondu and raclette, but also a dollop of grated cheese placed on top of pasta dishes, soups, salads, etc. Someone in our group called it "blockage". As in: "Would you like some more blockage on top of your soup?"

The ski terrain was vast. Nobody skied all the available lifts. There were several very interesting lift solutions. We found one of the longest platter lift in the world, going uphill and downhill and making two left turns. There were 8-passenger lifts, with a moving carpet at the loading station. There were two funiculaire trains pulled by cables at a high speed (much faster than any express lift). There was a "roller-coaster" lift that made some people scream as it crested a ridge and started going downhill on the other side. Another lift had two separate lines, and every other chair went in a different direction. One was free and turned back at the mid-station, but every second chair would continue straight on for another mile.

We had several powder days, but also days with low visibility. The avalanche danger was at its highest the day we arrived. In fact, two people were swept away by an avalanche on the road ahead of us. A German tourist told us he had been coming to Val d'Isere for 35 years and never once had to chain up, but this time the police would not let anyone through without chains.

**Race & Ace**

**May 6 (Sat.)** Mt. Bachelor, Sunriver (Oregon). Ski and golf in the same day! Combine your two favorite sports. Start the day off with a **dual giant slalom** race at Mt. Bachelor, then head down to Sunriver Resort for **18 holes of golf** at Sunriver Resort's Meadows course.

Three competitive divisions include Elite Individual, Two Person Teams and Four Person Teams. Lowest combined score wins each division.

This popular, annual event has now grown and expanded into Idaho (Tamarack Resort) and Washington (Snoqualmie Pass & Newcastle Golf's Coal Creek Course).

Early season pricing (\$229 per person) offered to those who register a month in advance. Info and registration at:

**Golden Rose race at Timberline**

**June 3, 2006 (Saturday).** Open to anyone who likes to run some gates for a good cause.

The Golden Rose Ski Classic is the longest continually run ski race in the world. Many past and future Olympic champions have participated in this event!

There is a professional race the weekend before, but this event is open to anyone who wants to participate. Cost: \$450 per team of 6. That's \$75 per person.

Teams of 6 skiers compete in dual giant slalom. A series of social events at the Lodge round out a perfect day of skiing and fund raising for the Mt. Hood Ski Education Foundation and the NW Snowsports Foundation for aspiring racers.

For details, or to register your team, contact **Jan Tolman** at: 503-253-1879, or **Bill Gunesch** at 503-272-3503, [bgunesch@oregontrail.net](mailto:bgunesch@oregontrail.net).

**Gary Gunderson** organizes several teams every year. If you want to be on one of these teams, call Gary at: 503-258-8051.

**History of the Golden Rose Ski Classic**

1. The first Golden Rose Ski Race was organized in 1936 by **James Simmons** and coincided with the groundbreaking for Timberline Lodge. The race started just below Crater Rock at the 10,000' level and ran nearly 3 miles. Racers had to carry their skis up, since there were no chairlifts.

2. **Hjalmar Hvam** broke his leg at the finish line the second year and, as a result, invented the first ski safety binding: Hvam's Hvooms.

3. Many famous skiers participated over the years, including **Steve & Phil Mahre**, **Debbie Armstrong**, **Eva Twardokens**, **Tamara McKinney**, and others.

4. In 2001, right after the race, **Chuck Westergren** and **Emilio Trampuz** saw a wolf near Timberline's parking lot. See photos in "Lift Lines 7 (June/July 2001)" on our web site, at the bottom of the [Newsletters](#) page.

**Mt. High Man & Woman of the Year**

Every year, in early Spring, we honor two of our club members who have contributed to our club in a significant way. During the past couple of months we have been asking for nominations.

The first reminder was in the February issue of the **NWSCC newsletter**, which was forwarded to all our club members on Feb. 5, 2006.

This was followed by a long article explaining the whole process in the February issue of **Lift Lines** (see Lift Lines 62, page 2). Also, see the **Events** page on our web site. Also, we asked for nominations at our last **Pizza Party**, March 21.

We received nominations for the following:

**Marsha Cosgrove**, best known for organizing the Spring Fling, but has done a lot for the club over the years. Did you know that it was Marsha who first proposed the Mt. High name for our club?

**Jack Folliard**, PACRAT President. Before Gordy stepped in, Jack also doubled as our club's Racing Director for a while. He also made possible the first slide show about our club, by providing the equipment for it.

**Linda McGavin**, our favorite trip leader who also edits the NWSCC Newsletter, produces the annual NW Skiers' Directory, helps organize the Ski Fair, works to support local ski areas, and more.

**Gordon Lusk**, our Racing Director, who has been organizing a lot of fun activities both Summer & Winter, including the free ski training days and the rafting trips on the Deschutes.

Ah, yes, we have some great people in this wonderful club of ours!

At our last Board meeting, April 4, we selected **Gordon (Gordy) Lusk** and **Linda McGavin** for our Man & Woman of the Year. Congratulations to both!

These two are now asked to fill out a questionnaire about themselves, to submit to the NWSCC for the next round of the competition, this time between all the Northwest clubs.

**Mt. High Pizza Party & Club Elections**

**May 16, 2006 (Tue.). 6:30 - 9:30 pm.**

Another pizza party! We try to do them quarterly. This one comes early, because it's time for club elections. So, get ready to vote for your favorite people to run the club! **Volunteer, or send in your nominations to any of our club officers.**

This Pizza Party will be at the **Round Table Pizza** again, especially since the turnout at Start Street Pizza last time wasn't so great.
