

PACRAT APRIL 6, 2014 RACE RESULTS

Results Based on a Par Time of 29.15 seconds

So, we got our 5th race in (well, at least half of a race). Despite the challenging year, we had five scoring races. Thanks to the board, race crew and all of our racers for helping to pull it off. Remembering that we count the best 4 out of 5 races for each racer, Ruttin` Rats added only 10 points to their race 4 total, but it was enough to hold off late charger Rattitudes (adding 51 points to jump from 8th to 2nd). Blizzaardos and Kiss My Wax tied for 3rd, just two points back. Tasmanian Ski Devils added 40 points to its race 4 total to move into the top 10. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Frank Hadella (Rattitudes) who improved his handicap every race and showed an overall improvement of 28%. Queen Rat is Pat Barry (Lab Rats) who showed improvement every race and had an overall improvement of 55%. For race 5, Jay Pollock claimed his third fastest man on the hill title. On the ladies side, newcomer Meegan Bombadil claimed her first fastest woman on the hill title of the year. See the last page for the usual annual statistics and please note the correlation between participation and final team standings. Feel free to give the board suggestions to make things better. See you next year

Names in *bold/italic* are PACRAT pacesetters.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes (“D”)/upstrikes (“U”) starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an * after them indicates a handicap that is more than one class below existing class. U with an * after them indicates a more than two class move during the season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
