

Annual Ski Week January 28 – February 4, 2017

Breckenridge or “Breck” (as Summit County locals call it) is a destination ski resort with the perfect blend of everything you could want on a ski vacation: world-class skiing for all levels, a fun nightlife scene, great restaurants, and a historic downtown. Breckenridge is a former mining town with Victorian architecture. It will be the combination of the exhilarating on-mountain skiing, the historic town activities and the organized group experiences that will make this an exciting and memorable trip.

Breck has five interconnected peaks, which offer an amazing variety of skiing for all skill levels. Peak 10 offers steep runs and challenging moguls. Peak 9 is best for beginners. Situated in the heart of the resort, Peak 8 is packed with trails for all levels. The upper part of Peak 8 is composed of advanced and expert terrain, and is served by the highest lift in North America. Intermediate skiers will feel at home on Peak 7’s blue runs. Peak 6 is also geared primarily to intermediate skiers, but also includes a large amount of advanced terrain and chutes.

We will be staying at an elegant stone-and-timber condominium lodge situated in a beautiful wooded area along a ski run. The lodging is ski-in, with only a short walk to the base gondola in town that goes to Peaks 7 & 8.	Property	Information	Lodging and Amenities Package per person, double occupancy
