

Participants

Totally informal road trip. No deposits and no reservations required. But, we need to coordinate the carpooling. Also, all the cars could drive together, in a caravan, and use 2-way radios to communicate.

Of course, feel free to drive up there on your own and just meet us on the slopes!

Some people prefer to do this in December, others in April. Here are just some of the people who expressed interest in doing it at these different times. No guarantee that everybody will really do it. These are just general preferences:

December 2009:

- 1. Richard Horner
- 2. Moniquea Degan
- 3. Terry Swan + friends
- 4. Kurt Krueger
- 5. Emilio Trampuz

April 2010:

- 1. Gordon Lusk
- 2. Lisa Ratzlaff
- 3. Dean Roberts
- 4. Sandra Pointer
- 5. Richard Poludniak

If anyone else wants to join in the fun, please contact Emilio at 1-503-378-0171 or email: **Emilio2000@earthlink.net**. We'll put you in touch with the others. updated 11/25/2009

Money Matters

Bring your passport

& driver's license.

Use a **credit card** for most purchases. That way you get the best rate of exchange.

Use a **debit card** at ATMs to get Canadian cash directly from your checking account.

Carry some **cash** in small denominations, for small purchases (coffee, etc.)

Get some **Canadian cash** soon after crossing the border. It makes small purchases like lunch on the mountain much easier.

US \$1.00 = CAD \$1.05 CAD \$1.00 = US \$0.95

Keeping us all together!

Everyone is free to travel whenever and however they want, and stay wherever they want, and ski wherever an however you like. This info is just for orientation.

Still, everyone is encouraged to **connect** with everyone else as much as possible. If we drive separately, let's try to reconnect at the ski areas. If we stay at different places, let's try to connect for **breakfast**, or **lunch** on the mountain, or **dinner**.

During travel times, if we are far apart, use your cell phone to communicate with the others. Emilio's number is **1-503-510-1477**. If our cars are less than 2 miles apart, use the radio.

On the slopes, tune your **2-way radio** (if you have one) to **Channel 6-19**.

DON'T FORGET THE MAIN THINGS:

- 1. **Passport** -- or 2 pieces of ID. If you bring a photocopy of your birth certificate, it should be a notarized copy (not just a plain photocopy).
- Driver's License You need this not only if you are driving, but also if you used your driver's license as your primary ID when registering for the Warren Miler coupons. You will need to present this same ID when exchanging your coupon for a lift ticket.
- 3. Warren Miller coupons for lift tickets. Print them out now. Print two sets of copies, and keep them in separate locations, just in case you lose one. If anyone doesn't have them, contact me right away. I can give you one or two.
- 4. Skis / boards, boots and poles
- 5. Clothing (jacket, pants, hat, goggles, gloves)
- 6. Swim suit (You might not want to sit in the hot tub nude!!!)
- 7. **Sleeping bag** might come in handy if we stay at a hostel, or even if we just share a hotel room with more people than there are beds.
- 6. A credit card (preferrable Visa or MasterCard. Very few places in Canada take the Discover card.)
- 7. A debit card. Your bank-card (linked to your checking account) is the easiest way to get some Canadian cash, by simply using it in an ATM. You will be charged an ATM fee (probably abt. \$2).
- 8. Some cash for the small things, like lunch on the mountain, a beer, a cup of coffee, ... or an impulse purchase.

9. Jot down any relevant information:

- Reservation numbers
- Other people's cell phone numbers. Mine is: 1-503-510-1477.
- Print out and bring these trip instructions (the whole PDF file).
- 10. If you bring a portable radio (walkie-talkie) tune in to Channel 6-19.

Have fun skiing Canada! Emilio 1-503-378-0171 <u>info@mthigh.org</u>

Day 0 (afternoon): Drive to Bellingham or Glacier (nr. Mt. Baker), WA

1. **DEPARTURE:** The drivers can pick up their carpoolers at their homes, or we could all meet is the parking lot in front of the Best Western hotel at Portland Meadows (one exit before Jantzen Beach). Perhaps around 4:00 pm. We'll only wait there if you tell us ahead of time you are coming. Otherwise, drive up on your own, at your own pace.

2. **DINNER?** To break the long drive, these are reasonably priced places to stop:

a) The Oak Tree Restaurant in Woodland. 30 min. from Portland, along I-5.

b) **Spiffy's Restaurant**, at the Hwy 12 turnoff, 1 hr. from Portland, and 10 minutes before Chehalis. c) **Perkins** family restaurant just off of I-5 near Tacoma. You can't see it from the freeway, but it's not far from a Shilo Inn (which is visible). After exiting the freeway, make a couple of right turns.

3. LODGING IN BELLINGHAM.

There is comfortable lodging in Bellingham, but it requires a longer drive the next morning.

The **Val-U Inn Motel**, 805 Lakeway Drive, Bellingham, WA 98229 (360) 671-9600 or (800) 443-7777 (toll-free) is located at exit 253, about a mile before the Mt. Baker turn-off. Make a right turn onto King St. and then right on Lakeway Dr. Rooms are \$70 a night.

The **Best Western Heritage Inn**, (1-360-647-1912) in Bellingham is only one exit (#256) beyond where we would need to turn for Mt. Baker (exit #255). Rooms are \$94 per night.

4. DRIVING DIRECTIONS

* On I-5, take exit 255.

* Go east on Sunset Dr., which eventually turns into Hwy 542. Follow Hwy. 542 to Glacier and to Mt. Baker.

* About 30 minutes after Bellingham, note a triangular intersection. Returning from Mt. Baker, remember to turn right at that crossroads, to Canada (Hwy. 547).

5. LODGING IN GLACIER (alternative to Bellingham)

Glacier Creek Lodge, 10036 Mt Baker Hwy, Hwy. 542, Glacier, WA, 98244, has cabins of various sizes, some with kitchens.
