What: Mt High group picnic! We've done 4 summers in a row since 2005 - they should have us on record.

Where: Sellwood Park

Date: August - need to ask what weekend is available

Times: We have the park from 8am - 9pm

Space/picnic site: Ask for space "A" - this space is the largest with 9 tables and that is the one I have always reserved.

Softball field: Reserve field "2" - that one is closest to picnic site A
You will need to pick a time to have your game - It is good for one hour.

Cost: Last year's cost (2008) was \$64 and you have to put it on a credit card to reserve the site. The cost has gone up every year. The cost last year breaks down as follows:

\$15 for the application fee

\$14 for the one hour soft ball field

\$35 for park use

Everything else: They do everything over the phone. Then they send you a packet of information, receipt, and everything you need to know for the picnic.

You can bring your own booze.

You can BBQ - but there are rules about it.

Have fun 😊!
