Bike rides

Thanks to **Harry Scribner** and **John Davis**, we have had a lot of bike rides this summer and more are coming. See pages 2 - 3,

Ski Trips

Winter is coming and our trips are ready, thanks mainly to **Linda McGavin**. Note that this winter, the club will NOT be collecting any money for ski trips. All our trips will rely on you driving there on your own and making your own hotel reservations. We will just ski together and perhaps have dinner together too. For ski trips, see pages 6 - 9.

This year's photos

Thanks to all who contributed their photos for our club's archives. See the photos from most of the past year's activities, both winter & summer on our PHOTOS website page at: <http://www.mthigh.org/Photos.htm>. The photos are arranged chronologically, with the latest one on top. So, the skiing events are near the bottom of that page.

The Indy Pass is both Popular & Useful

Our ski trips this winter will be to independent ski areas covered by the Indy Pass. The pass costs just \$319 and offers you 2 days of free skiing at each of over 120 ski areas, or which at least 39 are in the west. 39 ski areas times 2 equals 78 days of free skiing!

Wider Horizons In addition to our club's activities, learn about forest fire lookouts at the Mt. Hood Museum in Government Camp.

Note the color code.
Our club is blue.

There are many different season passes, such as the IKON, EPIC, and Mountain Collective. In past years, we have tried to offer a comprehensive listing of all the passes, but it is very hard to keep track of all of them. There are changes in the number of ski areas covered. There are changes in prices, and the prices change from month to month, usually getting more expensive closer to the start of the ski season. So, it's almost impossible to keep the list up to date.

This year, instead of listing ALL the ski passes, let's just focus on a few that might be the most relevant to our local skiers. And even then, this is just a brief overview. For details, please look at the corresponding website for each pass.

Please read the following information even if you already have a season pass.

Our Mountain High Club is organizing 2 ski trips to a total of 5 ski areas, all of which are on the Indy Pass. This means that with the Indy Pass you can get 2 free days at all 5 ski areas, for a total of 10 free ski days.

Indy Pass

This pass gives you 2 free ski days at over 120 ski areas in the US, Canada, and Japan. 39 of the ski areas are in the west. There are only 2 kinds of Indy Passes: The basic one for **\$319** has some black out dates (mainly some weekends and holidays) at some ski areas. The Indy Plus pass costs **\$419** and has no blackout dates.

On top of the 10 free days on our ski trips, Mt. Hood Meadows is also part of the Indy Pass, so if you don't have a Meadows Pass, but only the Indy Pass, you can get 2 free ski days at Meadows as well.

On top of that, there are several other ski areas in Oregon and Washington that are part of the Indy Pass but which we will not be visiting as a club this winter. You can visit these on your own and ski for free with the Indy Pass.

NOTE: The Indy Pass is not available at this time. It sold out fast in the Spring of this year. But there is a Waiting List. Everyone expects the Indy Pass to go on sale again, though briefly, this Fall, and those on the Waiting List will get priority.

Fusion Pass / Powder Alliance

Our local Fusion Pass gives you unlimited skiing at Timberline and Mt. Hood Skibowl. These two ski areas are part of the Powder Alliance, so the Fusion Pass gives you access to 20 other ski areas in the US, Canada, and New Zealand. 15 of these are in the west. And you get 3 free days at each. That's a total of 45 free ski days just in the US, without going to Canada. The Fusion Pass has been available for purchase since Sept. 2, 2023.

The Fusion Pass costs \$389 for seniors (65 - 70), or \$949 for adults (25 - 64).

Super-seniors (71 and over) have a dilemma. They must chose between two options:

a) Pay only \$299 for a pass valid only on weekdays (except Peak Days (holidays), through March, when the pass becomes valid every day of the week. Or ...

b) Pay the full Senior price of \$389 for an unlimited Fusion Pass.

Of the 5 ski areas our club plans to visit this winter, only Mission Ridge is also part of the Powder Alliance, so with the Fusion Pass, you can get 3 free days at Mission Ridge, as well as White Pass, Mt. Shasta, and others.

Mt. Hood Meadows Full Season Pass

If you purchase the full, unlimited season pass at Mt. Hood Meadows, you can then also purchase the Indy Pass as an **add-on** for just \$239 for the base add-on price, or \$339 for the Indy+ add-on with no blackout dates.

Mt. High - Indy Pass Washington Ski Safari Trip

3 Locations in Washington!

Ski Bluewood, 49 Degrees North, and Mission Ridge

March 1 or 2 through March 7 or 8, 2024. -- Join us for a wonderful adventure!

Up to 6 days free skiing with your Indy Pass - your choice, depending upon how many days you want to ski.

This is a driving trip like the past few years.

1. Everyone will be driving their own car. We will NOT have a bus.
2. For lodging, you can select your own roommate (optional), or simply have a room to yourself. Your choice. We will not assign roommates.
3. This trip is designed to use the Indy Pass (2 free days at each ski area). If you do not have a pass we suggest you buy lift tickets online in advance (the day before) to get the best price. We will not have enough people to get group lift tickets.

SKI BLUEWOOD – March 1-3, 2024

Bluewood is located about half an hour past Dayton, Washington, east of Walla Walla. It has 2 lifts and 24 trails. When we have visited in the past, we have enjoyed the trails and tree skiing in powder snow.

If you want to ski Bluewood, you would drive to Walla Walla or Dayton on Friday or Saturday to ski one or two days before traveling on to Spokane on Sunday night.

There are two places to stay in Dayton, one a "dive" and other the Best Western Plus at about \$155/night.

There are less expensive motels in Walla Walla (similar motels for about \$149, a smaller motel for closer to \$100), but they are about an hour away from Bluewood.

While I have arranged for great prices at motels in Spokane and in Wenatchee, I did not feel comfortable signing a contract for a minimum number of rooms in Dayton or Walla Walla.

If you are interested in skiing Bluewood, please contact your trip leader ASAP to tell me how many nights you would stay and whether you would rather stay in Dayton or Walla Walla. I will not set up rooming until I know how many people are seriously interested.

SPOKANE – Ski 49° NORTH – March 3-5 or 6, 2024

It is about a 3-hour drive directly from Bluewood to our hotel in North Spokane, the Quality Inn Oakwood, 7919 N. Division Street, 509-467-4900. This hotel has king and double queen rooms with refrigerator and microwave, and free wifi. The hotel has a hot breakfast, indoor pool and hot tub, elevators, and a free electric vehicle charging station. Rooms will cost \$99/night (\$113.79 including all taxes and fees).

You are responsible for making your own reservations and guaranteeing them with your credit card. Either call the hotel directly at 509-467-4900 and ask for the "Mountain High Snowsport Club," or use this booking link:

[Mountain High Snowsport Club March 2024 - Quality Inn Oakwood, Spokane, WA](#)

You must make reservations by Saturday, February 3, or the rooms will revert to their usual rate. The cancellation policy is one day prior to your trip without penalty. At the time of booking, you may change the number of nights you plan to stay. See CHOICE of REST DAY below.

49 Degrees North ski area offers 7 lifts (including 1 high speed quad, 1 quad, 4 double chairlifts, 1 conveyor) serving interesting terrain. Everyone likes the variety, which includes skiing the "Seven Deadly Sins," Mahre's Gold, Angel Peak, with 2 Ullr's bells to ring for good luck (one at the top and one at the bottom of the ski area), plus lots of long cruisers and a variety of powder runs and glades. Everyone has loved skiing at this area! We plan to ski there Monday and Tuesday, March 4 and 5.

REST DAY. You have a CHOICE when booking your hotels of staying 3 nights in Spokane or booking just 2 nights and driving to Wenatchee directly after skiing on March 5. It depends upon whether you would like a rest day in Spokane. If you drive to Wenatchee that day, you could take a rest day the next day to visit the charming town of Leavenworth.

Continued on next page.

WENATCHEE – Ski MISSION RIDGE – March 5 or 6 through March 7 or 8

It is less than 4 hours to drive directly from 49 Degrees North to our hotel, The Cedars Inn, 80 9th Street NE, East Wenatchee, 509-886-8000. Our club stayed at this hotel in 2021 and found it very welcoming – they even carved Welcome Mountain High in a watermelon for us! The hotel has king and double queen rooms with refrigerator and microwave, free wifi, a hot breakfast, indoor pool and outdoor hot tub, and elevators. Emilio says it is the closest hotel to Mission Ridge.

The cost of a king room is \$84/night (\$94.50 with taxes) and a double queen room is \$94/night (\$105.75 including taxes).

You are responsible for making your own reservations and guaranteeing them with your credit card. Call the hotel directly at 509-886-8000 and mention Mountain High Snowsport Club to get your rate.

You must make reservations by Sunday, February 25, or the rooms will revert to the usual rate. You may cancel up to the day before arrival without penalty.

Mission Ridge is in central Washington, on the eastern side of the Cascades, where the air is drier, the powder is better, and there are fewer crowds. It has 1 high speed quad (with a bubble top), 3 double chair lifts, 2 rope tows, and 1 magic carpet.

Mission Ridge is known for its World War II bomber wing displayed on the side of one of the trails. It has excellent cruising terrain top to bottom – and its bomber cliffs and mogul runs for some challenging skiing.

Mission Ridge is on BOTH the **Indy Pass** (2 free days of skiing) AND the **Powder Alliance Pass** (3 free days of skiing), so you can ski here midweek for as many days as your pass will let you!

Indy Pass sold out, but Get on the Waiting List Now

So many people purchased the Indy Pass back in March and April that sales had to be stopped in order to not overwhelm the ski areas with too many skiers.

But there is a **waiting list** at this time, and it is highly recommended that you get on the waiting list. It is expected that the Indy Pass will resume sales in the Fall, and those on the waiting list will have priority.

Get on the waiting list at: <https://www.indyskipass.com/pricing>

The Indy Pass offers us 2 days of free skiing at over 120 ski area in the US, of which at least 39 are in the West and several are in Japan. The number of ski areas keeps growing as more ski areas are added.

Note that most of our ski trips this coming winter will be to Indy Pass ski areas.

The basic pass (with some blackout dates) costs \$319, or \$419 for a pass with no blackout dates.

These are all independent ski areas, not part of some large corporation. See a film about them and their importance. It is called "In Pursuit of Soul". See it at: <https://tgrtv.tetongravity.com/apps/2645/108739/162037/32816199>
